- how the Trust will respond to requests from individuals for access to information;
- the Trust's policy and procedures for release and publication of private data and public records; and
- the Trust's policy and procedures for providing applicants with advice and assistance throughout the duration of their requests.

It also clarifies the Trust's position with regard to appropriate limit to the costs incurred by the Trust in obtaining any requested information, and on charging fees for its provision.

2. LEGAL FRAMEWORK

2.1 This policy has due regard to the following legislation:

- General Data Protection Regulation
- Data Protection Act 2018
- Freedom of Information Act 2000
- Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulation 2004.

2.2 This policy also has due regard to guidance, including, but not limited to, the following:

- ICO 'Model Publication Scheme'
- ICO 'Duty to provide advice and assistance (section 16)'

2.3 This policy should be viewed in conjunction with the Trust's Data Protection Policy.

3. ACCEPTING REQUESTS FOR INFORMATION

3.1 The Trust will only accept a request for information which meets all of the following criteria:

- It is in writing
- It states the name of the applicant and an address for correspondence
- It describes the information requested

3.2 A request will be treated as made in writing if it meets all of the following requirements:

- It is transmitted by electronic means
- It is received in legible form
- It is capable of being used for subsequent reference

3.3 Requests under the Freedom of Information Act should be sent to:

Postal address: St Thomas Catholic Academies Trust, c/o St Martin de Porres Catholic Primary School, Pastures Way, Luton, LU4 0PF

4. GENERAL RIGHT OF ACCESS TO INFORMATION HELD BY THE SCHOOL

- 4.1 Provided that the request complies with section 3 of this policy, the Trust will, no later than 20 school days from receipt of the request, comply with its duty to:
- Confirm or deny to any person making a request for information to the Trust, whether it holds information of the description specified in the request.
 - Provide the documentation, if the Trust confirms that it holds the requested information.
- 4.2 The Trust will not comply with section 4.1 of this policy where:
- The Trust reasonably requires further information to meet a freedom of information request, has informed the applicant of this requirement, but was not subsequently supplied with that further information.
 - The information is no longer readily available as it is contained in files that have been placed in archive storage or is difficult to access for similar reasons.
 - A request for information is exempt under section 2 of the Freedom of Information Act 2000.
 - The cost of providing the information exceeds the appropriate limit.
 - The request is vexatious.
 - The request is a repeated request from the same person made within three months of the initial one.
 - A fee notice was not honoured.
- 4.3 Where information is, or is thought to be, exempt, the Trust will, within 20 school days, give notice to the applicant which:
- states the fact; and
 - specifies the exemption in question.
- 4.4 The information provided to the applicant will be in the format that they have requested, where possible.
- 4.5 Where it is not possible to provide the information in the requested format the Trust will assist the applicant by discussing alternative formats in which it can be provided.
- 4.6 If, under relevant disability and discrimination legislations, the Trust is legally obliged to provide the information in other forms and formats, it will do so.

5. APPROPRIATE LIMIT AND CHARGING FEES

- 5.1 Most information will be freely available though the Trust's or each school's websites. Enquirers will be directed to the relevant website if the information they request is available there.
- 5.2 The Trust reserves the right to charge a fee for complying with requests for information under Freedom of Information Act, other than information available through its websites. The fees are according to Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulations 2004 and the applicant will be asked for payment of the charge before the information is supplied.
- 5.3 Under section 12 of the Freedom of Information Act, the Trust does not have to comply with a request for information if the estimated cost of compliance exceeds £450.
- 5.4 When determining whether the cost of complying with a freedom of information request is within the appropriate limit, the Trust will take account only of the costs we reasonably expect to incur in relation to:
- Determining whether it holds the information.
 - Locating the information, or a document which may contain the information.
 - Retrieving the information, or a document which may contain the information.

- Extracting the information from a document containing it.
- Costs relating to the time spent by any person undertaking any of the activities outlined in this section will be charged as detailed in the Schedule of Charges.

5.5 Where multiple requests for information are made to the Trust within three months of each other, either by a single person or by different persons who appear to be acting in concert, the estimated cost of complying with any of the requests is to be taken to be the total costs to the Trust of complying with all of them.

6. MEANS BY WHICH COMMUNICATION IS TO BE MADE

Where, on making a request for information, the applicant expresses a preference for communication by any one of the following means, the Trust will, as far as is practicable, give effect to that preference:

- The provision to the applicant of a copy of the information in permanent form or in another form acceptable to the applicant.
- The provision to the applicant of a reasonable opportunity to inspect a record containing the information.
- The provision to the applicant of a digest, or summary of the information, in permanent form or in another form acceptable to the applicant.

7. PUBLICATION SCHEME

The Trust has created a Publication Scheme derived from the Model Publication Scheme for Academies approved by the Information Commissioner. This is included at Appendix A.

8. MONITORING AND REVIEW

This Policy will be reviewed every 2 years and in the interim if there are any regulatory changes.
