

INTERNSHIP PROGRAMME 2024

At Xavier Teach SouthEast, we are proud to offer an internship programme which provides those interested in teaching with the ideal opportunity to explore life in the classroom.

NON-FUNDED AND FUNDED PROGRAMMES

- **Funded internship** for **secondary chemistry, computing, languages, maths and physics undergraduates** (£300pw)
- Non-funded internship for non-undergraduates and **all other secondary subjects and primary** teaching.
- **Aim:** to help undergraduates in all subjects, as well as those considering a career change, to explore how rewarding a career in teaching can be.

As part of the programme, you will:

- Get involved in all aspects of school life
- Receive bespoke training
- Work closely with a Mentor to observe and teach lessons
- Meet regularly with fellow Interns, ECTs and SCITT trainees
- Be given an opportunity to accelerate your interview process for our SCITT

“The internship was a brilliant hands-on experience that gave me a wealth of knowledge about life as a primary school teacher. The programme gave me the best opportunity to gain first-hand experience teaching, observing and helping to plan lessons.”

Intern 2022
